Call For Reporters
Football Schedules
The 1925 football season for St. Stephen's will open on Saturday afternoon when the varsity will meet the Bowdoin eleven at Brunswick.

A squad of over 36 men has been practicing almost daily since Labor Day in preparation for this contest and others to follow. The candidates who reported for early football practice have been working hard and faithfully under Coach Bray and his assistants Armstrong and Jones. They will be in perfect physical condition for the Bowdoin game and will leave campus on Friday determined to win the first game of the year.

In discussing the opening game, Coach Bray said: "We don't expect to find Bowdoin as unprepared as last year. The Bowdoin men are being coached by Gates of Yale, who is known of his ability in bringing his team into quick condition and readines." 

Last Year's Return

Coach Bray has expressed himself as pleased with the men who, to date, have reported for football practice. In addition to Captain Deloria, whose picture appears elsewhere in this paper, a number of last year's varsity men have returned including "Stick-er" Harding, who made such an enviable record for himself in 1924. If he is starting the season in better condition than he ever started a previous season and should prove a valuable man on the team.

The added experience of last year's football and his leadership in spring practice should make Wilson a valuable man. Coach Bray expects this to be the best season that "Joe" has ever had. Mention must also be made of "Butch" Harvey. Although only a sophomore, there is no one on the squad in whom the men have more confidence than "Butch." Coach Bray is determined to utilize all of Harvey's remarkable speed which, for a time last year, failed to get sufficient recognition. Big Tom Luepke, who went over 200 pounds last year and has returned at 170 pounds, appears to be trained.

Summer Visitors Leave Trade-Marks

Early arrivals on campus were interested to note that during the summer many visitors to St. Stephen's had left their mark in passing, and these marks were found on the blackboards of the west classroom in Baird Hall.

The inscriptions tell their own story. Here are some of them:

July 10, '25, Amherst Greetings to St. Stephen's.

CAPTAIN DELORIA

Captain Deloria is entering the climax of his football career. He is in the best shape ever and shows promise of making an enviable record this season. He has already won his fellow men on the squad by his leadership and the quality of his playing.

Albee Hall Sets Standard for Dorms

Nothing in the way of college dormitories can compare with Albee Hall, as it now stands completed. It was donated to the college by Edward P. Albee, head of the Keith Albee vaudeville circuit, and although the building as it appeared at commencement week last spring was beautiful and pleasing enough, Mr. Albee was not satisfied. He insisted that he be allowed to furnish it completely, and this he has done with the artistic taste shown in furnishings of his theatres, which are famous everywhere for their interior beauty. Expense has apparently not been considered. What Mr. Albee wanted to do was to provide a dormitory where students could live and study in comfort. He has done more than that. He has given them style as well as comfort. He has furnished.

The Year-End Issue

To the "four-daughters" in the professional and undergraduate rooms, we extend both arms, as befits our emotions, and clasp each other most lovingly. However, it should not be understood by the children in our midst that it is a sign of hopeless resignation. We do not forego another, as do the opposite sides of a pyramid, for support. Rather it is because we are justified that we are, for now we are reunited and can count out with all the vigor of several semesters' practice the curriculum, the administration, exams, et cetera. The result is in truth, a lively allusion to the incessant carollings of the administrators.

To the freshmen, God bless you in your collegiate incipience, we can merely say that life here will be as full of mercy for your failings as you may have hoped. Please do pay too much attention to the moral warnings of the eight. You will have to separate the dross from the gold and govern yourselves accordingly. When in doubt ask Lord to study and early to rise make a freshman attain full size.

Too much cannot be said in praise of the generosity of Mr. Albee. We know that his gifts to the college will make everyone happy, for we are rapidly becoming equal in every way with the best colleges in Christian dam. We wish to take this opportunity to express to Mr. Albee the thanks, not only of the men sufficiently fortunate to have their quarters in the new dormitory, but also of the campus at large. The spirit of the founders of our Alma Mater is being most splendidly carried out by our benefactors, for we have, too, our new science building, Hegeman Hall, given in memory of John Rogers Hegeman, first president of Metropolitan Life Insurance Company.

The Lyre Tree's new title-head is the work of Frank S. Patterson who most willingly offered to perfect the design suggested to him. Myerson & Stern not only merit the thanks of the Board but also of the entire student body, for a college is judged to a large extent by the quality of its publications.

Beat Bowdoin

SUMMER VISITORS

The Lyre Tree will be published weekly during the football season. We extend cordially during the remainder of the college year, by the month.

The Messenger, two times annually.

Subscriptions and business communications should be addressed to: The Messenger, 18 Irving Place, Harrison, N. Y. All advertising matter should be addressed to the Advertising Manager.

All correspondence will be considered.

Voice of Subscription:

The Messenger. $1.00

The Lyre Tree. $1.00

Entered as second-class matter October 30, 1924, at the post office at Annandale-on-Hudson, N. Y., under the Act of March 3, 1879.

CHANGE LYRE TREE DAY

The Lyre Tree and Messenger have moved into their new home in the sub-basement of Ludlow Willineck and will be glad to welcome all visitors to their new quarters. In the future all copy must be submitted to the Managing Editor of the Lyre Tree and the Editor of the Messenger in the new home, not in the dormitory rooms.

The editors of both publications wish to announce that there has been a change in the date of issue for these papers. During the football season, the Lyre Tree will appear weekly on Wednesdays and thereafter semi-monthly hereafter. The Messenger will make four appearances: November 26 (Thanksgiving Number); January 30 (Mid-Winter Number); March 31 (Kaster Number); June 10 (Commencement Number).

WELCOME AND THANKS

It is rather difficult to utter simultaneously the words "welcome" and "new." Too few can do it.

We are among those able to do it without sounding as if we are mimicking anyone. Read below.

Why Not?

By HAM

The First Four Letters of the New Year.

Freshman,

Dear Mother,

Honestly I'm crazy about it. College is everything I thought it would be. The crowd up here is great. They all speak to each other. We go to Chapel every evening, and it sure is fine, really fine. Everyone's awfully free about going. Guess I'll go out for football. I can hardly wait until I have a chance to do some real studying. Had tea with one of the "pros" the other day. He was awfully human. He made a few original wine-cracks—enough so you know. He said he rather be talked about than not to be talked about. I know that I do appreciate them.

I'm all wised-up for the third floor. The bed is of the Simmons "Built for Sleep" model and was outfitted with mattress, sheets, blankets, pillow, paper, and case. Mr. Albee, each room, as well as the corridors, is carpeted. All the rooms have been fitted with imported curtains. Even the details such as desks, chairs, counters, lamps were not omitted. An easy chair was also provided.

The middle room of each of the six was furnished with two luxurious chairs, a large dinner, and a beautiful mahogany table as well as a reading lamp. Mr. Albee not only furnished the dormitory in this unstinted style and fashion, but he also provided the four suites in the Albee Annex with the same sort of comfortable and expensive appointments. These suites are for the use of professors. The two social rooms for the students and faculty are lavishly provided with chairs and tables, and for these two rooms Mr. Albee has also given pictures. Pictures of the presidents of the United States have been hung in the students' room and pictures of college presidents have been hung in the faculty room.

VARiTY VS. BOWDOIN SAT.

(Continued from page 1)
ed down too fine. His condition is causing "Pete" Hegeman a certain amount of worry, but it is expected he will be in good shape for the opening game.

Other men of last year who have returned are Gruber, Kennedy, who made a fine showing in the Rochester game; Urquhart; Rogen, who showed great promise as a sub quarter last year; McLean, a last year sub who gave his best in every game he played.

New Men Report.

A number of the new men have pleased Coach Bray and they are expected to be a big help on the varsity. George Schallenberger, who played in Northern New York high school football at center with Olean, is one of the most feared men in that section of the country. He has been true to form on the practice field and stands an even break of making the varsity this year.

Edward Abramson played end on the East High School team, Erie, Pa., last year. This was the championship team of the city and Abramson proved a great help in winning games. He also established a reputation as a track man in the ¼ mile and shot-out.

Hans Guerin last year won the Carey cup of Erie for being the best all-round athlete in Erie. He is conceded to be the fastest 100 yard man in Pennsylvania. He is out for the backfield and, according to Coach Bray, is showing great promise.

John Watkinson of Hartford, Conn., transferred from the Connecticut Aigles where he played tackle on the freshman team, is also showing great promise. He has quickly caught the attention of the coaches and is worthy of watching.

Another good man among the new men is Charles Gottell, who played end on Hobart's varsity last year. John Milliman, fullback, will very likely fill Grant Noble's shoes at kick-off. He is expected to be one of the most promising players ever enrolled at St. Stephen's. Other new men who have not escaped notice are Vreeland, a 200 pound guard from Montclair High School; Jacobus, from Upper Montclair; and Keene of Union.

There are several good men both new and old who were late in reporting. Among the old are Ken Murray and Milington; among the new men Damitz of Morristown; Raab of Diehl, N. J.; Strahon of Montclair, and Voegeli. A number of last year's scrub men have also reported for practice including Stevens, Stolp, Krolik, Kunkle, George Moser, and Duggeet.

Up to press time, Coach Bray had not picked his varsity squad and was unable to announce the line-up for the Bowdoin game.

Second Team Games.

Manager Ferris has arranged an attractive schedule for the second team and the first game will be played Saturday against the N. Y. M. A. at Cornwall. The second team of last year was the best second team produced at St. Stephen's. The team went around to Hudson valley towns and surprised the high schools with its remarkable record that the Poughkeepsie High School will meet the second team this year and will play against the freshmen only.

CALL FOR SCRUB MANAGERS

Manager Ferris has issued a call for the men in football. Members of the freshman class desirous of trying out for these positions are asked to see Mr. Ferris in the managers office, Memorial Gymnasium, afternoons between 4 and 5:30 o'clock. Several good men are needed.
