FIRST HOME GAME SATURDAY

ONE POINT AGAIN CAUSES A DEFEAT

Varsity Loses to Wesleyan by 7-6 Score—Play Good Ball

The Wesleyan football team succeeded in winning a 7-6 victory over the Varsity on Andus Field, Middletown, Saturday afternoon. This first game ever played between the two colleges was a fast contest and one in which both teams displayed good form. It might be said, however, that the varsity’s playing in the last quarter far surpassed that of Wesleyan.

Wesleyan got the jump in the first five minutes of play with a series of line smashes which eventually won them the game. Captain Deloria won the toss and kicked off to the opponents who received the ball on the 20 yard line running it back to the 40 yard line. A series of off tackle plays and runs were made before Martin went over the goal line for the first score of the game within the first three minutes of play. Cashman kicked the goal. In the second quarter Wesleyan played a conservative game by punting to the varsity. The Crimson and White were unable to make consistent gains and the score at half time was 7-0.

Toward the end of the third quarter, the varsity pushed down the field but lost the ball at the opening of the final period. Captain Dick Noble recovered a fumble in mid-field. Wesleyan then lost several yards. With ten minutes to play, “Pete” heaved a beautiful pass to Finch who dashed down the field a spectacular run for a touchdown. Kenney’s placement kick was blocked and the team lost its chance to tie the score.

Captain Deloria played a fine game of ball. His forward passes were (Continued on page 3)

Special Services to be Held in Chapel All Saints Day

In accordance with the custom of the college from the beginning of its history, November 1, All Saints Day, will be observed as Founder’s Day and special services will be held in the chapel at 10 o’clock in the morning. It is to be especially noted that this date falls on a Sunday.

President Bell has announced that on this day all of the new students will be matriculated. As has been the custom in the past the new men, upon entering chapel, and at the summons of the marshal of the college, will affix their signatures to the college roster. This part of the ceremony will be followed by a celebration of the Holy Communion and a sermon by the president.

It is also quite probable, weather permitting, that the college pictures (Continued on page 2)

Frosh Name Jacobus As Their President

The Class of ’29 held their first campus meeting on Wednesday night, Sept. 29, for the purpose of electing officers. The gathering took place in Higeman theatre and was in charge of Garvey Jones, president of the student council. The freshmen were present in full, and proceeded to their first task with business like precision. The results of the election were as follows: President, Richard Jacobus; vice-president, Daniel Finch; secretary, Carl Lundien, and treasurer, Robert D. Damitz.

Their first organized act as a class was to give a rousing cheer for ’29.

MUMMERS CHOOSE CAST FOR PLAYS

College Theatpians To Be Seen in Four Playlets

The casts for the plays announced in the last issue of the LYRE TREE have been selected, and a fourth play has been chosen by the play reading committee, to-wit: "The Mayor and the Manicure" by George Ade. All four of the plays are comedies; the one mentioned above being a burlesque, "Food," a burlesque, "Spring," a picture play, and "The Man in the Stalls," a pure comedy. Fr. Bray will coach the first two, Mr. Voorhees will take charge of "Spring," and President Bell will direct the production of "The Man in the Stalls." It has been finally decided that those plays will be given in the gymnasium on November 19, the day preceding the Junior Prom.

Casts are as follows:

"Food" by William de Mille.
Basil—Richard Gruber.
Had—Horace Darbie.
The Wife—George A. Shrigley.

"The Mayor and the Manicure" by George Ade.

The Critic—Paul Titus.

RICHARD NOBLE
Trinity’s Captain

Trinity opened its football season last Saturday when it lost to Worcester Tech by a 6-0 score. According to newspaper reports, however, Trinity outplayed Worcester and was in excellent form on the field. "Eddie" Clark, the new Blue and Gold coach, has been putting his men through daily practices in anticipation of the St. Stephen’s game and as a result the Saturday contest should prove an interesting battle from beginning to end.

The Hartford aggregation will depend much upon their Captain, Richard Noble, who for a while last spring threatened to leave Trinity and go to Penn State. In reviewing the Worcester game, the Sunday Hartford Courier said, "Paul Burr sparked at quarterback and Captain Dick Noble played a great game. The team looked good even in defeat."

The varsity will be in better con- (Continued on page 3)

Clergymen Gather Here For Meeting

On Thursday, Sept. 30th, the campus was animated by the visit of a group of church workers, who were at St. Stephen's, to hold an annual convention. The visiting body was the Arch-deaconry of Dutchess County, composed of clergymen who care for the work of home missions in the diocese immediately surrounding the college. The region from which these guests of the college came extends from Peekskill on the south to Tivoli on the north.

About sixty people were present at this convention. It was presided over by the Right Rev. Dr. Lloyd, Suffragan Bishop of New York, and the program consisted of a religious service, at which the entire body of the Arch-deaconry attended the celebration of the Holy Communion at the chapel, a business session, in which the plans for the coming half year were discussed and formulated and a luncheon, at which the clergymen were the guests of the college.

This is the first time this body has met at St. Stephen's College. They appreciated the courtesy and were interested in the cross-section of college life which was presented to them while on the campus. The President of the Arch-deaconry is the Rev. Alexander Cummings, of Peekskill.

FRATERNITIES WILL RETAIN '24 RULES

No Pledging Until Second Monday of Second Semester

Undergraduates, and particularly those men who are new on the campus, may find it of personal interest, and value to note that on October 9, 1924, the three fraternities on the campus, Euletian, Kappa Gamma Chi and Sigma Alpha Epsilon agreed to follow certain resolutions relative to pledging new men. The arrangement in detail is as follows:

1. No new student below freshman standing, or otherwise, shall be pledged to or be initiated into any society or fraternity in the college.

2. The term pledging is to be defined as follows:

Any written or oral agreement between a fraternity and a student, including possible preliminary necessities to an agreement, such as the advance of any individual by a fraternity to pledge himself to join that fraternity, or, the receiving of an appointment by a fraternity from an individual.

3. No student of St. Stephen's college shall be pledged before 9 A. M. on the second Monday of the second semester.

4. No student who has not completed his four full courses shall be initiated into a society or fraternity.

This agreement has a dual value, in that it affords an incentive for endeavor to the new man, and protects the standards of the several fraternities involved.

Thirty-Eight Sophomores

Owing to the fact that many freshmen may not be acquainted with all the sophomores with whom they will probably have much to do during the course of the year, the names of those in the class of '28 are published below:

Are you aware, sir, that the turnstile in the southbound subway at Copley Square is a constant menace to the lives of our citizens?

This year at the U. of Rochester a new custom is being inaugurated. Each student is to make out his own term bill. Each student is to sign on the dotted line the amount for laboratory fees, and dormitory rental, but is not to deduct the amount allowed for a scholarship.

A student walk-out is the latest development in the controversy between the conservative students and the faculty of the University of Paris Law School and the radical Herriot ministry. Ninety per cent of the students of the law school have gone on a strike, along with them all the faculties and students of auxiliary colleges of the university. This was done as a protest against the closing of the law school and suspension of Dr. Louis Bartholomey, its dean, because he refused to allow the Paris police to enter the university building to quell a riot.

The rioting and the disorder which finally led up to a strike were caused by the appointment of George Seulle, chief private secretary to the minister of labor, as professor of international law. Students declare that this was a political appointment. From Paris the strike movement has radiated through the provinces. The student bodies of nineteen provincial universities have joined in a sympathy strike.

The halls of Paris are plastered with proclamations by the student association, encouraging resistance to what is described as the government's efforts to bring politics into the university. It is announced that 5,000 students in Paris are staying away from their classes.

Many Entrants For Championship Matches  
The first round of the fall singles tournament has been completed. Thirty entrants have registered for the singles championship, although only four teams have had their names for the doubles tournament. Captain Titus is the only member of last year's team out for tennis this fall. However, Dodd and Faerber, of last year's squad, are good prospects for first team positions. Several other members of last year's ranking, including Murrill, Seckel, Packard and Myers, are promising candidates. Of the new men, Ficus and Lee seem to be outstanding candidates.

Captain Titus and Manager Dodd have been doing some active work on next year's schedule, which will probably include matches with Hamilton, Colgate, Union, Drexel, Rutgers, and, possibly, Wesleyan, Trinity and Pratt Institute.

Junior Varsity Plays Good Game

The Junior Varsity met defeat at Morningside, Saturday, by a score of 13-9, when the powerful Mackenzie eleven steadily advanced for the first touchdown. The kick followed by a field goal was blocked by Cragnhart. The team received the kickoff on the 20 yard line and Milton, in the next play, kicked back to Mackenzie who ran it back for 12 yards. Mackenzie gained a touchdown and a short pass over the line made their 13th point. Urrahat kicked off to Mackenzie's center who was downed in his tracks. On the next play, Keene slipped through and threw one of the opponent's back for a six yard loss which was followed by St. Stephen's gaining five yards on an offside.

The first quarter ended with Mackenzie kicking to Doggett. In the second quarter the team seemed to find its feet and began to throw Mackenzie for losses. A short pass from Keene to Tibbits was followed by a pass which was fumbled by Milton and in the next play Kerns broke through and threw one of the opponent's back for a six yard loss which was followed by St. Stephen's gaining five yards on an offside.
