## Artist Statement

I curated and performed in two concerts this year for my senior project, one in early December, and one in late April. I was very lucky joined onstage by my good friends and fellow musicians, Sam Crocker, Mina Devore, Cedric Rule-Becker, and Eli Smith. The music we created exists as an amalgamation of many different musical tastes mixing together, like soup. This has been an excellent learning experience for me that I will take with me for the rest of my life. My goal in my musical endeavors is to express something meaningful, with as much intention as I possibly can.
