At the Eucharist on Sunday morning. June 2nd, the preacher was the Rev. Lawrence T. Cole, D. D., sometime Warden of the College, Rector of Trinity School, New York City. At Evensong, 5 P. The customary Class Day exercises took place on Monday evening on the steps of the library, when Eighteen's Algebra remains were viewed for the last time, before being placed upon the mammoth funeral pyre which had been erected on the campus. After the customary ceremonies, the annual Dragon Club dance was held in Ludlow and Willink Hall, in honor of the departing seniors.

Regular meetings of the fraternities have been resumed.

An effort will be made to get the "Messenger" out at least once a month during the present academic year, but the lack of funds is sorely felt. Here is a chance for every Alumnus who has not subscribed for the paper this year, to come to the rescue of the most active student activity at the present time. It might be added that the gift of a typewriter would also be deeply appreciated by the Messenger Board.

An attempt will be made by the Senior Class to have the Commencement of June, 1919, one of the "big events" in St. Stephen's career. A fine, rousing Commencement this year would seem most appropriate, as the war-time stress and strain has been relaxed, and men ought to find it more possible to return to their Alma Mater this year than ever before. So, Alumni, make your plans now to visit Annandale in June, and come prepared to take an active part in the upbuilding of the college.

CAMPUS NOTES

Castleman '19, who has been in military service in the F. A. C. O. T. S. at Camp Taylor, Louisville, Kentucky, was mustered out on December 2nd and has returned to college.

Strong '20, who entered the service last October and was assigned to Camp Upton hopes to be mustered out in time to return to college for the second semester.

Hall, Sp., has returned to the campus after being in naval employment on a receiving ship at New York.

Lounsbury, '19, has returned to college after an absence of five weeks. He was removed to the Thompson House Hospital during The REV. CUTHBERT FOWLER, November, suffering from a serious attack of typhoid-pneumonia. For a long while, his condition was critical, but he is rapidly improving and getting to look more like the same old "Chick" every day.
