Glee Club Success.

St. Stephen’s Glee Club Given Heartly Welcome at Beacon

On Thursday, May 7, the Glee Club made a trip to Beacon to give a concert in the Parish Hall of St. Luke’s Church. The Club has practised at rehearsals weekly, and a pleasing program was compiled.

The trip to Beacon was made under the supervision of Mr. Mason, the business manager and the Rev. Colthbert Fowler, the director of the club. The club was met at the station by the Rev. A. O. Tritsch, rector of St. Luke’s, and several citizens of Beacon who conveyed the singers to the rectory, where they were assigned to their respective lodging places for that night.

The concert was given in the Parish House of St. Luke’s, and considering the inclement weather a very encouraging and appreciative audience attended.

After the concert a dance was held, in which both parishioners and students took part. Punch and cakes were served. The dance continued until midnight.

The Glee Club received a very heartly welcome in Beacon, and this success is a spur to greater achievements.

The program of the concert was as follows:

Opening Chorus .... In Days of Yore Piano Quartet
Come Fill your Glasses High .... Club Piano Quartet
Honey, I Wants yer Now .... Quartet Railroad Songs
Club Song ........................................ Clark Piano Duett ............... Clark and Mason Twilight .......... Quartet
Skykraft ........................................ Club Aloha From the South .... Quartet

The quartet consists of Keedwell, Colwell, Clark and Atkin.

Father MacDonald has succeeded Father Lange as rector-protem of Barrytown Church. Father Lange is at present away from college on leave of absence due to illness.

Father Lange as rector-protem of St. Luke’s.

S. A. E. Initiation

On Friday night, April 29th, Harold Eugène Clark, ’21, was initiated into New York Sigma Phi Chapter of Sigma Alpha Epsilon. An initiation "blitz" was held in No. 12 McVicker Hall.

Clark comes to St. Stephen’s after having spent his Freshman year at St. Lawrence University and having been overseas with the U. S. Naval Air Forces.

Rev. Dr. Rodgers whose resignation from the Presidency becomes effective on Commencement Day.

New History Professor

Dr. Williams in Rev. Lange’s Place Until End of Year.

In the place of Rev. Dr. Lange who is on a leave of absence, we have as the acting professor of the History Department, Dr. Clarence Williams. Dr. Williams took his Bachelor of Arts degree at the University of Pennsylvania, his Master of Arts at Princeton, and his Doctor of Philosophy at Yale.

His chief work has been lecturing in connection with the Pilgrim Press making the interpretation of Biblical Literature and history his special field. Last winter he was with the American War Library at Camps Upton and Merritt. At these camps he was able to become acquainted with the soldiers and he enjoyed very much his work in that line.

His home is in Philadelphia.

Baseball

Triple Alliance Wins Swat-Fast Score 27 to 25

The opening contest of the series of inter-mural baseball games was played on Zabriskie Field, Tuesday, April 29th. Play was called at 4:15 P. M. with the team composed of Juniors, Freshmen and Specials at bat; the Seniors and Sophomores had the field. Both pitchers had great difficulty in locating the plate which accounted for most of the runs. The winning team used all their free passes to good advantage, several times filling the bases to be driven in with a clean drive.

The lineup of the winners was:

Libby, 3rd b; Hall, c; Langdon, 1st b; Updike, e; Pfaffko, s; Atkin.
Buchanan, f; Chandley and Weitzel, r f and Turney-High, 2nd b.

The second game of the inter-mural series was played on Zabriskie field, Saturday, May 3rd. For the first few innings the game was closely played but better hitting and fielding by the team composed of Juniors and Freshmen easily gave them the game. The latter part of the game was loosely played by both teams, the score at the end of the ninth inning resembled rather a cricket match than that of a baseball game. This was due, in large part, to the fact that stars of both teams were absent from college.

3rd Game Won by 19-21.

On Thursday afternoon, May 8th, the Senior and Sophomore team came from Cobleskill. Keedwell and Merritt.

Plans for Big June 11th

Alumni are Asked to Attend Big Post-Bellum Commencement.

A big old-time Commencement is planned for the 11th of June. The campus once more will be adorned as it was five years ago. The degrees will be given from a platform erected, under a canopy of swining, on the old site between the tennis courts and northwest of Ludlow and Willink Hall.

It is hoped notable speakers will be present and chief among those it is thought will be the Alumni. Perhaps no other time in the history of St. Stephen’s is there need or call for a greater reunion than now and it is this that the authorities have in view when they make plans for a real Commencement of a bigger and better College.

CHAPEL NOTES.

This is the first opportunity the Messenger has had to mention the sermon of the Rev. Lawrence A. Cole, D. D., Ph. D., Headmaster of Trinity School, New York, and one of the trustees of St. Stephen’s. Dr. Cole is a former warden of the college and has always had the college interests at heart. Before his sermon proper he spoke to the students as one of the institutions’ trustees concerning the college’s future. Dr. Cole said that the financial part of the institution has never been in a healthier condition, that the college is entirely free from debt, save the ordinary small debts to tradesmen. Considering the times we think this is very remarkable and are sure that this good news is welcome to alumni, students, and all other interested in St. Stephen’s.

Probst-Tuthill Engagement.

The Rev. Jacob Probst, rector of Trinity Episcopal Church, Brookly, and Mrs. Probst announce the engagement of their daughter, Miss Frances Probst, to James A. Brown Tuthill, son of Dr. and Mrs. Frederic P. Tuthill, also of Brooklyn. Miss Probst is a graduate of Hunter College. Mr. Tuthill was a student at Yale when he enlisted in the 2nd Cavalry U. S. A., and has just returned from Cohoes. He, for two years, was a former student here.

back strong after two defeats and easily won the third contest of the inter-mural baseball games by the score of 27 to 22. The game was marked by the fine pitching and consistent hitting of the winners. The winning lineup: Kidd, 3rd b; Launsbery, 2nd b; Wood, p; Pfaffko, s; Castellan, s; Koch, l f; Dickerson, c; Parker, r f; Gresham and Newton, c f. Rev. Mr. Kaltenbach umpired.

Dr. Davidson, our acting President, has during the past year submitted matters in which students were implo- tioned to the Student Council, the governing body of the Undergraduates. Almost without exception the difficulties have been resolved to the satisfaction of both the College Authorities and Students. In the past years the Student Councils have always cooperated with the Administration in power, but were utterly ignorant of political and misunderstandings that have been the only logical sequences. This new step of progress adopted by our new tentative head is to be commended. That harmony and good will are created by such a policy is self-evident.

Many rules and unwritten laws are prevalent here at St. Stephen's—some good, some worthless. Whatever the best of these efficiently is almost beyond the sphere of possibility for the average college president, who has innumerable duties of far more importance on hand. The Student Council, without any impulsion should feel it their duty to share in the enforcement of some rules. For instance, there is an obviously sensible rule which prohibits students from taking coal out of the college cellar. The Student Director without a friendly interest shall feel it his duty to notify the head of the Institute that his roommate is carting away coal. Coal has

gradually disappeared this past year. This practice could early be abolished were the Student Council to act within their bounds. The rule of the cup and gown over which there has been many a controversy, the council should assume a legislative share of the burden of enforcing. Of course, when and how the student's financial obligations must be paid is entirely without the board's jurisdiction.

Let me suggest to the men who will comprise the new student council that they at the outset of their office consult the President and volunteer to help enforce such rules as the Administration may determine.

THE GLEE CLUB

The recent concert given by the Glee Club has been the only concert this semester, and it is felt keenly that the Glee Club must have something to work for in order to be an efficient organization. Prospects of concerts or a tour have a great effect on the men. Rev. Mr. Fowler, the conductor of the Club, has worked very hard and the men have responded well, but without concerts in view the labor seems lost.

Here is an opportunity for the Alumni to render a good service to the college. A week's tour is included in the Club's plans for next year, to take place during the Easter vacation. The Alumni, by arranging for concerts, will not only encourage the Glee Club, but will also do good for the College, since the Glee Club is a most valuable advertising medium for the institution.

We feel everyone appreciates greatly the efforts of the Club director and all those involved in keeping this organization a worthwhile one.

IT OTHER COLLEGES

Mrs. Susan F. Colgate, benefactress of Colgate, passed away recently at her home at age of 90.

Hobart's across season opened on April 29th and includes games with Syracuse, Harvard, Yale, Stevens and Pennsylvania.

Counting the six Freshmen boats, Princeton now has a total of eleven crews. Her schedule includes races against Harvard, Yale, the Navy, Penn., Columbia and Cornell.

Mac Ewan, a former St. Stephen's man, has been initiated into the Kappa Beta Phi of Hobart, the society that helps keep a balance sheet with the Phi Beta Kappa.

Dr. Ellery and Professor France have succeeded Dean Bipton as Dean of Union College, the first now being Dean of the Faculty, while the second is to be Dean of the students.

George Eastman is to donate a 100,000 a year for a music school in Rochester University.

Union intends remodeling her Honor Constitution after that of Princeton, and has sent representatives to study that system, which is the oldest and most successful in the country.

Among the Frosh Ten Commandments at N. Y. U. are these:

"Thou shalt at all times keep thy promise, if discovered from the manor, thou enterest the portals of N. Y. U.

Thou shalt always display upon thy bosom a dinky gray tie not more than one and one-half inches wide at any point.

Thou shalt not part thy hair in the middle.

Thou shalt at no time pollute thy bobby pins with rank or foul weed; thou mayest smoke good tobacco—through the medium of an unaltered corn-cob pipe only."

DRAGON CLUB NEWS

Much to our regret, Mrs. Frederick W. Norris was unable to be with us on Wednesday evening, May 7th, due to sudden and unexpected sickness.

The Dragon Club was very fortunate in procuring Mrs. Norris, who is a very remarkable reader, and was to entertain us with a series of readings on Dickens and other authors. We hope that her sickness will be short and that another date can be arranged before the close of the college year.

Mrs. Norris is a very close friend of the college and is the wife of Rev. Frederick W. Norris of the class of 1888 who is now Rector of St. Matthew's Church, Brooklyn, and a Trustee of the College.

CONCERNING EDITORIALS.

To the Editor of the Messenger:

May I be permitted to say a few words concerning editorials?

From the very word, we know that there are editorials applied to newspaper articles, "editorial" means the expression of the views of the Editor himself or of the entire Editorial Staff. Beyond this an unsigned editorial should not dare to go. It should never presume to represent student opinion in a college publication unless the writer is absolutely certain that his article is expressive of the views of the majority.

Free speech I advocate and have the greatest respect for the opinions of others, although my own may be diametrically opposed, but I vigorously protest against the publication of one man's views as student or public opinion. An editorial which purports to represent the student opinion of some two hundred men, would, to say the least, be difficult of composition, and I am sure to see no harm in a student presenting his personal views on any subject provided that having the courage of his convictions, he is not ashamed to public- ize the same by inscribing his name beneath the article.

Editors seem to lose sight of the fact that there is a great difference between news writing and the writing of editorials. The former must occasionally be paused and retouched, but the first principle of the latter should be truth. This is essential and it is mainly on this account that I desire publicly to register my ob- jection to certain wild assertions and sweeping statements which were made in an editorial appearing in the last issue of the Messenger.

Let us have truth first.

ALEXANDER N. KEEDEW.

CAMPUS NOTES.

Dr. W. C. Rodgers spent April 22nd and 23rd on the campus. Rev. Mr. Swan, D. B. C. of the U. S. Army, visited the campus the latter part of April, and is here for Commencement. Chaplain Swan was graduated from here with the class of '20.

Donnell E. Strong '20 and Joshua C. Fraser ex-'18, visited the campus on April 29th.

Rev. Mr. Stated '90, of Catskill, and his son visited Mason '20 on April 30th, 1919.

THE Fraternity Tennis Courts have been marked and prepared for the spring season.

Ensign Bennett has recently returned to college for a visit after having been in the Navy for a year. He found the campus most attractive and delightful after his recent experience out there. The beauty of our campus, and the various clubs, and of course the annual happenings, of our future will make plans to be here for Commencement if they could.

The beauty of college life, and the fact that we will live in a world of new things and feel with us our new energy and life. This new life, coming with spring, victory and peace, is the same life that St. Stephen's; yet holding the past and present charm which brings us men back—as they ever so far.

Senior Tree

1919 Plants Memorial Beside Chapel

Sunday, May 3rd, the graduating class performed the time-honored custom of planting a memorial tree. Even since the large Chestnut that formerly spread its protecting branches over the southern side of the college chapel died, frequent remarks have been passed as to the need of another tree in the same spot; but final action was left to the once famous class of 1919.

The members of the class, all wearing their Bachelor of Art gowns and led by Lounsbury, '19, carrying the golden mace brought the tree to the chapel. Here, they were joined by Father MacDonald and two acolytes. The planting was preceded by the most solemn ceremony. After the singing of a Requiem hymn, the First Psalm was read. Then Father MacDonald read an appropriate lesson taken from the Book of Genesis, after which he blessed the tree. During the singing of another hymn the tree was actually planted.

The new tree is a healthy young Tulip Tree. Needless to say it has been given the most careful attention and seems to be thriving.

The Tree.

I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is prest
Against the earth's sweet flowing breast.

A tree that looks at God all day
And lifts her leafy arm to pray,
A tree that may in summer wear
A nest of robins in her hair.

Upon whose bosom snow has lain
Who intimately lives with rain.

Poems are made by fools like me
But only God make a Tree.
—By Joyce Kilmer

The new service flag, which bears 165 stars including five gold stars, will be ready to hang on the campus. It represents the present and all other alumni who have been in the service of the Government during the recent war.

IS THIS YOUR TRUNK?

About a thousand pieces of personal baggage go astray, each month, according to a recent statement by an express official. Very probably, the trunks and suitcases of college students are among them, particularly at this season. Therefore, it is important that you start your trunk right, safeguarded with the proper kind of address labels and tags.

Most of the trouble is due to the fact that trunks, unlike the students, cannot speak for themselves, when the address label or tag comes off. "Old marks" from previous trips are confusing to the expressmen and usually send the baggage some place where it oughtn't to go.

If you do not want your vacation ruined, or a romance shattered by a lost trunk, follow these general rules:

1. Remove or cancel all addresses of former trips.

2. Don't entrust your fineries to a single tag. The expressmen will not accept your baggage unless you have a label on it, in addition to a strong tag.

3. Be sure it is a strong tag. One with a reinforced eyelet, and attached with a heavy cord or wire, is best.

4. Use good ink, never lead pencil, in writing the address, and do it legibly, giving all of these details: Name of shipper; where from; name of consignee; local address, street and number; destination; city; value; state in full; and date of your shipment.

5. As an additional safeguard, place your name and permanent address on the inside of your trunk; on the lid, for instance.

Use these same common sense rules when you ship a suitcase, a handbag or other baggage, and you will see your best clothes again. —From Educational Service Bureau, American Railway Express, New York.

Howard E. Koch '22 was taken ill on April 18th, with a mild attack of typhus fever. He spent almost three weeks at the City Hospital in Kingston—where he was speedily cured. At present he is recuperating at his home, and expects to return to the campus soon in order to finish his academic year.
