COMMENCEMENT, 1920

Nineteen-Twenty

ST. STEPHEN'S GRADUATES A REPRESENTATIVE CLASS

JUNE 16 marks the passing of the Class of 1920, an occasion, no doubt, of much satisfaction and joy to them, but one of loss to St. Stephen's. Nineteen-twenty, both collectively and individually, has been a valuable body to the college. In classroom, athletics, convocation and campus they have been true, public-spirited men—loyal servants of their Alma Mater. What more comment could be made on a graduating class? The college has thriven and spirit waxed strong during this last year of their leadership. Their whole-hearted enthusiasm and ability will be greatly missed. We would like to keep them with us forever; but from henceforth theirs is to be a broader and more useful sphere of activity. Their years here with us have been only the strong cornerstone of a great and lofty structure of endeavor and achievement. Our hearts go with them; may success attend them in their various pursuits. We who are left behind can bid them godspeed, and can reconcile ourselves that wherever they go, there will St. Stephen's be. Farewell, Seniors. In your passing we are adding six good men to our glorious Alumni roll. Be true and keep the trust.

Commencement Exercises

JUNE 16th, Commencement Day, in spite of the clouds and rain, is a day that will be long remembered by not only the members of the Class of 1920, but also by Alumni and Undergraduates, as the first Commencement of the new regime and a very successful one too.

The Commencement program had been planned in three parts, the first to take place in the Chapel, the second on the Campus, and the third at the new gymnasium, but owing to the heavy down-pour of rain it was made necessary that everything take place in the Chapel with the exception of the laying of the cornerstone of the new gymnasium. At 3:15 P. M. the academic procession of gowned undergraduates, and gowned and hooded faculty and alumni, led by the Marshal with his mace and the Assistant Marshals with their wands, moved to the Chapel to the strains of "Onward, Christian Soldiers," played by the band.

The religious service, which always precedes a St. Stephen's Commencement, then took place—a short and simple service consisting of Bidding Prayer, Psalms, Creed and Collects.

Immediately after the service, the Commencement proper took place. The salutatory address was given by Cassius H. Hunt; the McVickar Oration and Valedictory, a production of exceptional merit, delivered in a most commendable manner, was given by Arthur G. W. Pfaffko. An ode was then read by the Rev. John Mills Gilbert an alumnus of the college. At the conferring of degrees, the President of the College was assisted by Professor Cook, the Secretary of the Faculty. The degree of Bachelor of Arts was conferred upon Arthur G. W. Pfaffko, of Providence, R. I., George S. Gresham of Cambridge, Mass., Otis L. Mason of Worcester, Mass., and Cassius H. Hunt of Boston. The degree of Bachelor of Science was conferred upon Walter F. Hoffman of New York, and, *in absentia*, upon Lauriston Castleman of Philadelphia. The degree of Doctor of Divinity was conferred upon Cap-

dent of his Freshman Class; former President Dragon Club; Conductor of Orchestra; President of Convocation; Assistant Director of Glee Club; Business Manager of the "Messenger;" Secretary Athletic Association; engaged in munitions work during the war; entered Summer School of Theology at Middletown, Conn.; continuing studies at Berkeley Divinity School. Intends entering the ministry.

George Sheldon Gresham, of Cambridge, Mass. Prepared at St. Stephen's; entered 1912; member of Sigma Alpha Epsilon Fraternity; member Glee Club; former member Student Council; College Sacristan; Assistant Editor of the "Messenger;" was absent from college three semesters and attend the General Theological Seminary the greater part of this year; intends to teach in St. John's University, Shanghai, next year.

The following probation members were elected into the organization: Hubbs, Cleveland, Leonhard, Sayre, McNeely and Wellford.

tain Frank Thompson, Chaplain U. S. N. The following prizes were announced: the McVickar Prize to Arthur G. W. Pfaffko; the John Mills Gilbert Prize to William A. M. Parker; the Pruyn Prize in Greek to Howard E. Koch; the Pruyn Prize in Philosophy to Hollis W. Colwell; Pruyn Prize in Science to Hollis W. Colwell; the Sophomore Philosophy Prize to Howard E. Koch. Owing to an oversight the Pruyn Prize in English to Donnon E. Strong was not announced. Another unannounced prize was that of a typewriter given by the Rev. David C. Fergusler for the man who had during the year rendered the greatest service to the college, same to be voted upon by Juniors, Seniors and members of the faculty. The prize was awarded to Walter F. Hoffman.

The procession then formed and marched from the Chapel to the new gymnasium where with appropriate prayers the Bishop of New York laid the cornerstone, thus bringing to an end one of our greatest Commencements.

The Necrologist reported the death of the following men: Reverend Thomas Cole, 1869; the Venerable A. R. B. Hegeman, 1891; the Rev. F. S. Sill, D. D., 1869; Lewis Moore.

Prayers were offered at this juncture by the President.

The President of the Association had no report to make. Neither had the Executive Committee.

Communications were read from ex-President Rodgers, President Bell, the Secretary of the Board of Trustees.

The Report of the Treasurer, Dr. S. Wolcott Linsley, was received, referred to the appointed Auditing Committee, Rev. C. S. Armstrong and Mr. A. N. Keedwell, who found the same correct, and the report was accepted.

Dr. Holden reported that the Alumni Scholarship Fund amounted to \$1,600.35 including to-day's offertory at the Celebration of the Holy Communion. This figure is not exactly correct since the account books had unfortunately been forgotten. It was moved, seconded and carried that the report be accepted and placed on file when forwarded.

Mr. E. A. Sidman reported on behalf of the Gymnasium Fund Committee that since the recent appeal was sent out for funds he had

received \$669.30; pledges amounting to \$335.00 due before October 1st; \$75.00 interest due on July 1st; that the total is \$4,405.04, \$3,000.00 of which are invested in a guaranteed mortgage netting 5%, and \$600.00 deposited on a certificate of deposit bringing 3½%, interest due on this last item July 1st, \$21.00.

Moved by Mr. Hamilton, seconded by Mr. Whitney, that the amount of the Gymnasium Fund be disbursed by the Committee, as the Trustees of the College require the same for the purpose for which the Fund was collected. Carried.

The next item of business was the Amendments to the Constitution and By-Laws, introduced at last year's meeting, with a view to admitting Former Students to full membership in the Association. The following amendments were duly moved, seconded, and passed unanimously:

In Article II of the Constitution strike out § 1, which reads as follows: There shall be three grades of Membership, Regular, Associate and Honorary.

Strike out § 2 of Article II substituting for same, but numbered § 1 the following: Any graduate or former student of St. Stephen's College may become a member of the Alumni Association upon application to the Secretary.

Strike out § 3 of Article II.
Re-number § 4 and 5 as § 2 and 3 of Article II.

Re-number § 6 as § 5 of Article II.

Amend By-Law 8 "No member shall be entitled to vote who is in arrears in the payment of dues for more than one year" to read " * * * * * for more than five years."

[There was a very general and full discussion of these amendments, and for a time it appeared as if they might be defeated, but ultimately the sentiment that we (A. and F. S.) should be one body prevailed, but only after motions of re-committal and re-consideration had passed.]

Moved, seconded and carried that the original committee on these Amendments be discharged with thanks. It should be noted that as a result of the Committee's efforts and investigations S. S. C. Alumni Association is

now in harmony with other Colleges in respect to the admission of non-grads.

All the Amendments were adopted as a whole.

The following were proposed, seconded and elected to serve as Directors for the ensuing year: Messrs. Wood, Steinmetz, Fowler, S. W. Linsley, J. C. Linsley, A. J. M. Wilson, Sidman, O. F. R. Treder, W. Holden.

The Rev. Robert S. W. Wood, 1889, was nominated for the office of President for the coming year:

Mr. E. A. Sidman for Vice President.

Rev. A. J. M. Wilson for Secretary.

Rev. S. Wolcott Linsley for Treasurer.

There being no other candidates before the house the Secretary was instructed to find one ballot cast for these men, and the President declared them elected.

Dean Treder was appointed Necrologist.

The Reverend Jacob Probst was nominated to serve as Member-at-Large of the Executive Committee. He being the only candidate before the House the Secretary was instructed to find one ballot cast for the Rev. Mr. Probst, and the President declared him elected.

Moved, seconded and carried that a Committee of three be appointed by the Chair to convey to the new President of the College the sincere and hearty greetings of this Association, and assure him of our earnest determination to support him in his work. The Committee: Ven. Dr. Holden, Revs. Bleecker and Steinmetz.

Moved, seconded and carried that the Secretary be empowered to appoint an assistant, it being understood he should be from the ranks of the Former Students.

The Secretary was voted the usual amount of \$25.00 towards his expenses.

It was moved, seconded and carried that "The Messenger" be granted \$40.00 with the distinct understanding that every Alumnus and Former Student be sent the copy with a record of Commencement proceedings.

Moved, seconded and carried that the Board of Directors constitute an Executive Committee to arrange for a St. Stephen's Col-

lege Dinner in New York some time in Fall or Winter of 1920-21.

The Rev. President Bell visited the Association at this point and was escorted to the platform by the Committee appointed by the Chair. He addressed the Alumni urging three main needs for the College: Men, Money, Publicity. In connection with the second he urged the Alumni and Former Students to designate at least a portion of their contribution to the Nation Wide Campaign (extra-Parochial) to St. Stephen's College, emphasizing the fact that the Presiding Bishop and Council of the Church had granted permission to Priests and Vestries to do so. It is most earnestly hoped all St. Stephen's men in the ministry will do all they can towards meeting this request of the College.

The Minutes of this meeting were read and approved as read.

On motion the meeting adjourned.

ALBERT J. M. WILSON,
Secretary.

The following former students of the College made application to the Secretary for membership in the Association and were duly received:

The Reverend Jacob Probst, Mr. E. G. Gilbert, Rev. Ed. Gabler, Rev. F. V. R. Moore, Rev. J. F. Hamblin, Rev. G. R. Underhill, Mr. J. L. Whitcomb, Rev. A. T. Gesner, Rev. C. C. Quin, Rev. Henry Macbeth, Rev. Chaplain Smith, (H. S.), Rev. J. B. Wasson, K. Irving Weitzel and Class of 1920: A. G. W. Paffko, O. L. Mason, C. H. Hunt, W. F. Hoffman, G. S. Gresham.

Meeting of the Executive Committee.

The Board of Directors constituting the Executive Committee held an informal meeting immediately after the Association adjourned. Seven members were present.

The following matters were discussed, definite action to be taken at a meeting to be held between now and September 15th:

The Alumni Scholarship Fund. An appeal to be sent to the Alumni and Former Students for support so that the Fund may be put into working effect very soon and with a view to

providing two scholarships of \$250.00 each during the academic year.

The dinner was discussed; so also was the gymnasium fund.

An Alumnus page to appear in each issue of "The Messenger;" and all Alumni and Former Students to subscribe to "The Messenger."

The question of designating offerings to the Nation Wide Campaign to St. Stephen's College to be emphasized.

To request President Bell to send a "Sixteen Line Letter" to the Alumni every month via the Alumni page in "The Messenger."

The attention of the members of the Association is respectfully directed to these proposals. Definite information will be forwarded to you in the Fall.

ALBERT J. M. WILSON,
Secretary of the Board of Directors.

There was a very fine attendance of people who enjoyed the recital exceedingly. The program was as follows:

Class Exercises

THE exercises of the Class of 1920 were held on the evening of Monday, June 14th, outside the college library. The opening address given by Arthur Paffko, President of the Class, assured all present of a hearty welcome. The class history was told by Walter Hoffman after which Cassius Hunt narrated the tradition of the Algebra.

This was followed by the viewing of the Algebra remains, which were lying in state inside the Library, and the Algebra procession was formed in which terminated at the funeral pyre where the Algebra with the Class Battleflag went up in smoke. While the Algebra was burning the classes of 1920 and 1921 drank a toast to the Algebra and all the traditions of our Alma Mater. The Spade of Traditions was then presented to the President of the Class of 1921 and after his response the Pipe of Peace was smoked in turn.

After two more toasts—one to '21 and another to '20—the office of President of Undergraduates was conferred upon the President-elect by the ex-President Arthur G. W. Paffko.

The last toast was to the College of St. Stephen the Martyr, after which the Alma Mater was sung. The procession of the Class of 1920 and 1921 was again formed and the song, "Where, Oh Where are the Verdant Freshmen, Etc.," was followed by the yells of '20 and '21 which marked the end of the Class Exercises.

Dragon Club Notes

ON the evening of June 14th, immediately after the Class Day exercises, the annual informal dance of the Dragon Club took place in Ludlow and Willink Hall. The guests included members of the Dragon Club, members of the faculty, upper classmen, and the Commencement guests of the College. The dance, though informal, was a very enjoyable affair.

On June 14th, the election of officers for the ensuing year took place, with the following result: President, Gordon L. Kidd; Vice-President, Donnon E. Strong; Secretary-Treasurer, Hollis W. Colwell. The following men were made members of the Dragon Club: William A. M. Parker, George D. Langdon, Harry H. Turney-High and Howard E. Koch.

Chapel Notes

MISSION SERVICE

AT the Mission Service which was held in the Chapel at 7:00 o'clock on the evening of June 15th, the chapel was more than crowded.

A very wonderful address was given by the Reverend Leopold Kroll '98 on the subject of "Missions in Hawaii." Mr. Kroll has spent many years doing valuable missionary work in Honolulu, T. H., and expects to return there next fall.

Another note-worthy address was given by Chaplain Herbert Stanley Smith '97 on "The New Army Chaplain." The address which had to do with the side of army life least known to the casual observer was most interesting, both for its insight into the hearts of the soldier, and for the first hand experiences of the very gifted gentleman who gave it.

The Baccalaureate service was held in the College Chapel on Sunday morning, June 13, 1920, at 10:30 o'clock.

Dr. W. C. Rodgers, former President of the College, returned to us after one year's absence and acted as the celebrant priest. President Bell preached the baccalaureate sermon in which he made a stirring appeal to the students, especially those about to graduate from our portals to a world full of unrest. Particularly did he emphasize that the men should know the world, know God, and know themselves.

THE 60th Anniversary of St. Stephen's was marked by the large attendance of Alumni at this Commencement. It was certainly a good thing to see a commencement attendance which reminded one of pre-war days.

Yet there was something beyond the mere exercises and speeches and band and festivities which went to make up the program. There was a spirit, an overflowing spirit of enthusiasm and devotion to the Alma Mater of those Alumni who came back. It was a spirit that in its very presence assured the authorities of this college of whole-hearted support, and encouraged them greatly in what they are doing for this institution. Many Alumni who had not been back for many years came back to find the college, though altered from when they knew it, far beyond their expectations—a college worthy of its name and devoted and determined in its purpose.

We believe the crisis is over. From the poor struggling college that it was in the war-time days when its very existence was threatened, it is now an up-to-date religious educa-

tional institution. That spirit of determination which now booms St. Stephen's may have been dormant during those dark days which the institution has experienced, but it is dormant no longer. The college perhaps never had a better outlook. Perhaps never before has the college been able to boast of the whole-hearted support of the Alumni as she can now, and, in spite of all that is said by others or that is given by others, an institution in order to be successful must have loyal Alumni.

For sixty years St. Stephen's has braved the storm of public vicissitudes. May she for sixty more ride on the brow of the wave, and keep sending out into the world Alumni who are loyal and true to their professions, and loyal and true to the foster mother who fitted them so well for their professions. The future of the college depends not on the speeches of men or the bigness or smallness of the commencements, but upon the spirit which is back of those speeches and the enthusiasm behind the festivities of the college's commencements.

Fraternity Notes

KAPPA GAMMA CHI

THE reunion banquet of K. G. X. was held in the Beekman Arms, Rhinebeck, N. Y., on Tuesday evening, June 15th. For nearly twenty-five years, Mr. Levere has been one of the guiding spirits of the fraternity, giving up his entire time to the work of S. A. E. throughout the United States, one of his duties being to visit each of the ninety-two chapters of the fraternity once in two years. Mr. Levere has not visited the St. Stephen's chapter for several years due to his two years absence with the Y. M. C. A. in France and Germany. He was accompanied by Edwin W. Ely, '14, who was his co-worker in France and Germany.

EULEXIAN

"ONCE again," the Alumni Brethren of the Eulexian Fraternity returned to college to help celebrate the Commencement of the College, and the Reunion of the Fraternity. This is the 60th Anniversary of both the founding of the College and the founding of the Eulexian Fraternity. The Annual Banquet was held on Tuesday evening, June 15th, in Preston Hall. The hall was suitably decorated for the occasion. The predominating features of design were the red carnation, the flower of the Fraternity, and the Fraternity Shield. The speakers' table, situated at the east end of the hall was faced with the word "EULEXIAN," in large white letters against a crimson background; while to the left in similar design were the numerals

"1860" and to the right "1920," symbolizing the age of the Fraternity. Directly over the center of the speakers' table hung a huge three-panelled light in gold and white, having the Fraternity Shield in each panel. The other tables were festooned with green, interspersed with red carnations and the College and Fraternity Shields.

The Fraternity was honored by the presence of a number of invited guests among whom were: President Bell, Captain Frank Thompson, Reverend Dr. Lawrence T. Cole, Dr. I. F. Davidson, Dr. E. C. Upton, Dr. L. P. Edwards, Professor Edmund A. Cook and Professor John M. S. McDonald.

Armstrong, Nicholas Feringa, Edward Gabler, Andrew J. Harper, and Otis Lincoln Mason. Brother George E. Spitzli who arrived early in the week, was compelled to leave on Tuesday on account of a business engagement in Utica.

Brother George Herbert Toop who was scheduled to act as Toastmaster at the Banquet was unable to be present, and in his absence, Brother J. Chauncey Linsley took the honors, and with his keen sense of humor, and delightful personality, helped make the banquet a wonderful success. The speakers included Brothers Hunt, Bleecker, Gilbert, Silliman, Bonnet, Hamilton, and MacKellar, in addition to President Bell and Captain Thompson.

On behalf of the members of the Active Chapter, Brother Donovan expressed their feeling of loss through graduation of Brother Hunt; and in sincere appreciation of his untiring labors for the College and the Fraternity, presented to him an academic hood.
