Eulexian House Is Closed By Ruling Body

Conduct of Several Men Brings Action by Father Clarkson and Council

FUTURE OBSCURE

Mr. George Burnham, former temporary chairman of the Eulexian Society, has informed the Bardians that in order that the Steering Committee of Eulexian, the fraternity house has been closed and padlocked, and the active chapter suspended until further notice from the council.

During the last two months this council has heard appeals from the petition of several members and the charter of the fraternity. The members of the council have been faced with the situation of having to face the entire student body of the college and the faculty of this institution and to make a decision which will affect the life of the fraternity.

Mr. Burnham said that in re- sponse to the request of the Rev. David Clarkson, permanent treasurer of the college, he had decided to sign a final council order on the brotherhood and to declare the entire house and to declare the entire property of the Eulexian Society. He also said that a further "Ascent of F6" Goes On Stage Next Thursday

On Sunday evening the Bard College Music Department will present its annual program of music, a prospectus of the department's 1939-40 season.

Conductor to Be Dr. Heymann

Dr. Curt Heymann, of the editorial staff and foreign news department of the New York Times, spoke to a large audience at the museum. He addressed the symposium on censorship at the American Isn't Free?

Community Chest

To Handle Welfare

A committee headed by Doug- las Schmitt, student chairman, assisted by J. A. Manley and Theodore Cook, has reported on the successful sale of the annual appeal of the Community Chest. This form of financing has proved itself a most effective method of raising money for worthy causes.

"In your efforts to sell the Community Chest, students have been faced with the challenge of appealing to the heart and mind of the student. They have been asked to sell a price that is not only in line with the price of a basic program by the students, die Warren faculty and trustees. As a result, the council has decided to declare the entire property and to declare the entire property of the Eulexian Society. He also said that a further appeal for the Community Chest has been made to the student body. The performance will be presented by the Bard College Student Council and will be held in the cooperation of the Community Chest. The Student Council will have made an effort to approve the custom-to-service dinner.

FOUND "ANARCHY"

Acting Dean Robert Leigh gave the packed Theatre Wednesday evening, the talk, purported to explain what he considers the three problems of the college. Fraternities, morale, and sports. He states that the last has been virtually solved.

"Anarchism" was the subject of his talk, which was addressed to the late Dean Mertz. Mr. Leigh pronounced the word "anarchism" to be "barren, dull, and void of meaning." He then proceeded to explain what he considers the three main problems of the college. Fraternities, morale, and sports. He states that the last has been virtually solved.

Guest Columnist

For one who has never looked around before, there must be an old-timer around here. I don't think at least one item of information could have escaped your notice. The new column, titled "Looking Around," is appearing this week. It is intended to serve as a vehicle for providing information about the college and its activities that might otherwise be overlooked. The column will be written by a guest columnist, who will be rotated on a regular basis.

The first issue of "Looking Around" includes articles on the social organization of the college, the tradition of fraternities, the role of the student advisor, and the influence of the educational program on the college community. The column aims to provide a broader perspective on the college experience than is typically available through traditional news sources.

The column will be published twice a week, on Wednesdays and Fridays. It is open to all students and faculty who are interested in contributing articles on topics related to the college and its activities. Contributions should be submitted to the editor of the college newspaper, The Bardian, at the following address:

The Bardian
One College Avenue
Annandale-on-Hudson, NY 12504

Submission guidelines:
- Contributions should be 500-1000 words in length.
- Articles should be submitted in PDF format.
- Contributions should be original and not previously published.
- Contributions should be submitted by email to the editor at bardian@bard.edu.

Letters to the Editors

FIELD PERIOD

We have been for some time considering the future of Bard College. Our modern body of education called college is seen as abastion of liberal education, and is distinguished by its commitment to the development of ideas. This is a period in which there is a great deal of discussion of the college's role in the world.

The college has always been committed to providing a wide range of educational opportunities to its students. This includes a strong emphasis on the liberal arts, as well as a commitment to providing practical training and career preparation.

In recent years, however, there has been a trend towards reducing the emphasis on the liberal arts and increasing the focus on career preparation. This has led to some concern among students and faculty that the college is losing its identity as a liberal arts institution.

The college community is currently engaged in a dialogue about the future of the college. This includes discussions about the role of the liberal arts in education, the balance between academic and practical training, and the future of the college as a whole.

I want to invite all members of the college community to participate in this dialogue. Whether you are a student, faculty member, or staff, your voice is important and your contributions are welcome.

Music Recital

by William Harte

Music Recital by Yehudi Menuhin will be held in Bard Hall on Sunday evening, December 1, at 8:00 p.m. Mr. Menuhin will be accompanied on the violin by Guido Brand and Paul Schwartz, two of his students, who have collaborated on this recital.

This was owned two hundred years before by the great Polish violinist, Jan Linskiewicz.

The concert opened with four tunes for flute played by Theodore Strohmeier. He interpreted these very effectively. Strohmeier had to study for his rehearsals at the last moment, when David Lurie of the New York Times was unable to perform. Second on the program was a series of works for violin and piano by Schubert, to play Brand and Paul Schwartz. The students collaborated on this piece and did an equally fine job.

The next piece was a recital of popular melodies by Yehudi Menuhin. This was followed by a delightful and effective recital of some of Menuhin's most famous works, including the Fantasia in G minor for violin and orchestra. The recital was well received and enjoyed by all who attended.
BOWLING LEAGUE BEGINS SEASON

Kappa Gamma Chi Takes First Games

R. Aufrecht Is High Scorer

The inter-collegiate bowling league opened its six-week season on Monday, and Kappa Gamma Chi took the first place from the Non-Dens.

The same six teams are entered this year as were last year, K.O.X., Big Five, Alpha Rho, Non-Sacs, Help, Faculty, and K.G.X. The first four teams participated in the tournament.

In the Kappa Gamma Chi match, there were two lemons and two non-take downs. The Non-Dens and the Faculty are the only two teams that have taken place.

High individual scores were: R. Aufrecht, 192; Harry, 473; Philip, 477; and R.O.C., 478.

SOUTH HALL PONG SEASON

The South Hall ping pong tournament, which got off to such a start that its outcome seemed a thing of the far-distant future, has finally come to an end with James Westbrooke, the favored player, the winner.

The semi-finals were reached by Philip Gordon, who was victorious over the other, by Westbrooke, who continued his winning tactics with stingy bearing, and by Harry Hartill, who triumphed over Alfred Underwood, and by Charles Forst, who defeated Richard Drayton.
