RETURN OF SPRING

SUNSHINE lights up the gardener's heart. Already in his mind he sees the glorious beauty of a splendid garden. It's all planned in a series of colored patches in the back, so keeping these colors within their allotted spaces, the bide will be the more beautiful. Plants, blue and white spires, are being chosen in the seedling room. (Continued from page 1)

ANNADELA’S INDUSTRIAL CENTER

O’ORTUNITY has been knock knock, on Annandale’s door, a little knock knock, on Annandale’s door; a little knock knock, on Annandale’s door. It’s time for us to be on the alert; it’s time for us to be on the alert; it’s time for us to be on the alert. We must answer the door, we must answer the door; we must answer the door.
