Any play which introduces a characteristic moment in the life of a family, in the thoughts and actions of its members, is brought forth in the Hotel Universe. The time-mood element becomes a dominating characteristic of the play and its music, to the exclusion of much festivity. The prom committee, at the expense of time and sleep, produced a striking effect in their costume of a few moments. The choir is an all-male organization of twenty-four voices and two sopranos. The effect of the choir is heard in the tracks of the faculty and students meeting at Princeton. The电机 does not want to be a part of the faculty and the Student Council, to serve as an organization of eight regional representatives. We have been alarmed at the mechanization of Musselstein's army but we are somewhat assured to learn that he is planning several new methods to counteract this civilised advantage. A little guidance over the course of a few in the stands, and the striking of a tender will make one or two bugs happen. It is possible also that the bugs will either make a handy appearance or they will fail to appear at all. It may be that the bugs, if they do, will lose their shirt about the stands. to certain idea must be emphasized above all else to carry the play and its idea. Although Miss Cynthia Haughton unfortunately had lost the right characteristic in mind for the role of Lily Mains, we feel that she was unable to link it to the rest of the play. Her lines were bright and merry but she lacked a certain tenorisms in her reading of the lines that would have helped to drive home the time idea to the audience. As a result the times brought loud laughter where there should have been smiles. The lack of the time of the projection of Mr. Barry's idea. We were sorry for Miss Mac-"cartre Readhead in the role of Ann Field. She made a most pleasing performance and has a lovely voice. John Hicks of Bard playing Pat Farley opposite her was pleasing. Contributions Gladly Received!

"The Bardian" announces a campaign to raise funds for the art department of the college. The total receipts will be used to purchase the New Sacks stamp used in marking the new books, hymnals, and periodicals. The New stamp would substitute the name Bardian College for St. Stephen's College. Experts estimate the proposed expenditure at about fifty cents.

The aromatic Turkish tobaccos used in Chesterfield give them a more pleasing aroma and taste...

Every year we import thousands of pounds from Turkey and Greece

The Import Duty alone is 35 cents a pound—but Turkish tobacco is necessary to a good cigarette.

The right amount of Turkish tobacco, blended with our mild, ripe home-grown tobaccos helps to give Chesterfield more aroma, helps to give them a more pleasing taste.
