Spit the words out

any word not spoken festers in the mind until the silence comes and heals it on that island we call sleep but is in fact language giving birth to itself all over again.

OF DEMETER

Demeter is Persephone
is the first woman
the “original women” of my received text.

Hades/Pluto represents the capture
of the original human
by the cloned marauding male,

the woman trapped into a sexuality
men learned from animals,

and Persephone’s half-year every year in hell
represents the halving of the original human
into a male world and a woman world,

to live sometime as a ‘man’s woman’.
And only half herself still her own?

No. Restore the original.
Before Demeter was the girl
who listened to the destroying voice (pterse-phone)
of the other, the lover.
Demeter grieves for the lost generative power of woman alone.

Now study how to ease her grief.

Never meet with friends 
the night the Knife begins.

There’s too much pyrites in the air, 
angry crystals lurking since archaic times

and here they are  
shimmering in your coffee cup

frosting your innocent brownie you think.

11 Tijax
There are many permissions but I don’t think Time is one of them.

31.VIII.14
Bees and hummingbirds like these, flit from one to another to find It, the Grail of their dispensation deep in the pale mauve flowers beckoning strangers from above.

When polar bears reach Montreal
maybe people will listen.
But big business government will decide
Burn more coal and shoot the bears.

THE CHILD

If you can’t tell a book by its cover why can you tell a tree by its leaves? The answer is interesting, and worth talking about for a very long time.

31 August 2014
The children drew a crooked path in chalk down the driveway, followed it to the plain smooth road “but we can’t go on the road” so the crooked little path leads home. As it almost always does.

for Nikkal and Viatrix

Go by your middle names—
they’re closer to the soul.
I am more Jacob than Prabhakirti,
lame and jealous and with ten thousand sheep.

BEZOAR

Inside the beast
a benison

a stone grows.

Stone knows
everything,
it has been here
almost from the beginning.

But bezoar
is new, a new stone
formed by the arcane
geology inside
an animal:

mind and body, beast and matter,
inside and outside the same.

Stone of the Wise.

See no Difference
and be each one.
